Can a timing device be used for the speaker to see while performing?

Yes

How much time over the five minutes limit disqualifies a contestant?

Zero. From the contestant's FIRST WORD to LAST WORD – the time allotted is 5 minutes. (Introductions, VOGs/Standing Ovations, etc. do not count toward the time allotment and do not disqualify).

What is the date for videos to be submitted for the regional levels?

The Regional Competition process will begin April 1st each year. Regional Competitors will be required to submit their entries/pay the fee no later than the second Friday in April. (2024 = Friday, April 12th).

It must be noted that Regional entries are allowed as soon as identified by their respective Chapters. *For example*, if a Chapter determines their Champion on March 10th, they are permitted to submit their Regional Entry at that time – but no later than April 12th.

Who pays the Chapter Fee and the \$500 Regional Entry Fee, the member or the chapter?

A Chapter Finalist pays the Fee, if applicable, to the Chapter. A Chapter Finalist is someone who submitted an entry video to a Chapter and was selected by their Judges' Panel for the Chapter's Competition.

The Regional Fee can be paid by any person or entity. Thus, the suggestion for Chapters to allocate some of the Finalist Fee funds toward their Champion's Regional Fee. However, NSA is not going to mitigate or manage *who* pays the Fee, just that it is required to enter the competition at that level

In the case of a tie between two contestants, how is the tie broken?

In the event of a tie, the judges will deliberate in private to determine which one moves to 1st and which to 2nd. That is why there should be 3 judges. If the scores end up the same, a 2 to 1 vote will break the tie.
